**2025PRDE048459: IN THE MATTER OF DAVID EARL CONNORS
08/05/2026 in Department J6
Hearing on Petition for Waiver of Accounting and Final Distribution**

A final account is waived.

The petition indicates that \$13,433.19 was received by the estate on 1/13/26. Petitioner is to confirm that this is not a refund of a disbursement made after the date of death (7/15/25).

Subject to the foregoing, approve \$36,553.43 in statutory legal fees to counsel. Petitioner waives his fees. The proposed final distribution of the estate to Petitioner is consistent with the terms of the will.
