Tentative Ruling: Hearing Required.

3.

CASE #	CASE NAME	HEARING NAME
CVME2512904	J. VS CLASSIC COLLISION, LLC	MOTION TO COMPEL ARBITRATION

Tentative Ruling: Motion to Compel Arbitration is granted. Case is stayed pending arbitration.

Upon the petition/motion of a party to an agreement to arbitrate, the court must grant a petition to compel arbitration unless it finds: no written agreement to arbitrate exists; the right to compel arbitration has been waived; grounds exist for revocation of the agreement; or litigation is pending that may render the arbitration unnecessary or create conflicting rulings on common issues. (CCP § 1281.2.) A proceeding to compel arbitration is in essence a suit in equity to compel specific performance of a contract. (*Freeman v. State Farm Mutual Auto Insurance Co.* (1975) 14 Cal.3d 473, 479.) The petition/motion to compel must set forth the provisions of the written agreement and the arbitration clause verbatim, or such provisions must be attached and incorporated by reference. (CRC rule 3.1330; *see also Condee v. Longwood Mgmt. Corp.* (2001) 88 Cal.App.4th 215, 218–19.) The party seeking arbitration must prove the existence of the arbitration agreement. (*Pinnacle Museum Tower Assn. v. Pinnacle Market Development (US), LLC* (2015) 55 Cal.4th 223, 236.) The burden then shifts to the opposing party to prove any defense such as unconscionability. (*Id.*)

“In ruling on a petition to compel arbitration, the trial court may consider evidence on factual issues relating to the threshold issue of arbitrability Parties may submit declarations when factual issues are tendered with a motion to compel arbitration.” (*Engineers & Architects Assn. v. Community Development Dept.* (1994) 30 Cal.App.4th 644, 653.) In the summary proceedings on a motion to compel arbitration, “the trial court sits as a trier of fact, weighing all the affidavits, declarations, and other documentary evidence, as well as oral testimony received at the court's discretion, to reach a final determination.” (*Engalla v. Permanente Medical Group, Inc.* (1997) 15 Cal.4th 951, 972.)

Federal and state policy favors arbitration such that “when there is doubt as to the meaning and construction of an agreement for mediation and/or arbitration, that doubt
