

The court continued this matter from January 7, 2026, March 19, 2026, and April 29, 2026 to allow the parties to address issues with their respective pleadings. The court has reviewed the Proof of Service filed by the objector which resolved one issue with her competing petition. The court has reviewed the declaration filed June 16, 2026 by the petitioner which did not resolve all of the outstanding issues.

The court on its own motion continues this hearing to August 13, 2026 at 9:30 a.m. in Department 22. Pending the continued hearing, the parties shall each resolve the following issues as to their respective pleadings:

As to the Petition filed by Jay Pascoe:

1. Petition, item 8: The petitioner did not serve Margaret Frances Foley and Jennifer Holt Henderson who are the named successor trustees. The other beneficiaries, Peter Peaslee and the American Cancer Society, were also not given notice. In addition, the proof of service filed on November 26, 2025 was incomplete as it did not have the information for the date and place mailed.
2. Petition, item 22: It is unclear if the petitioner has begun an Unlawful Detainer action. The petitioner shall clarify. The petition did not state any legal basis for such relief requested. In addition, there is an agreement that one of the heirs pays rent to live at the property. There is also a person named Peter Peaslee who has a permanent offer to remain on the trust property. The petitioner shall clarify if the rent is being paid.
3. There is no Proof of Service showing that the Supplement was served on all beneficiaries.

As to the Petition filed by Cassandra Jo Taylor:

The copy of the fully executed trust was not provided. Please provide a signed copy of the trust.
