

## PREGRANT ORDER

The court on its own motion continues this hearing to July 22, 2026, at 9:30 a.m. in Department 22. Pending the continued hearing, the petitioner shall resolve the following issues:

1. Pursuant to Probate Code section 12200(a), a personal representative is to file either a petition for final distribution or a status report within one year of the date letters are issued if no estate tax return is required, and within eighteen months of the date letters are issued if an estate tax return is required. As the estate is of an insufficient size to require an estate tax return, the petition for final distribution or a status report was due by August 14, 2024. No petition was filed until April 10, 2026. The court notes that a Status Report was filed with the court to continue the administration of the estate in 2025, but not placed on calendar as required by Probate Code §12201, et seq. There was no Notice of Hearing with proof of service was filed with the court and no explanation was given for the delay.
2. Statutory Fee Calculation: The statutory fee calculation did not include any losses for the sale of real property. (See Prob. Code §10810 (b).) It appears that the real property was valued at \$585,000, but sold for \$550,000. Court Staff calculates the statutory fee to be \$14,067.78 and not \$14,767.78.
3. There was no value provided for real property listed in Attachment 2 of the inventory and appraisal filed on March 5, 2024.
