FPR051429**

Petition for Final Distribution on Waiver of Accounting

PREGRANT ORDER

This matter was continued from February 23, 2026 and April 8, 2026 to allow the petitioner to address issues with the petition. Nothing has been filed since the last hearing.

The court on its own motion continues this hearing one final time to August 10, 2026, at 9:30 a.m. in Department 22. Pending the re-set hearing the petitioner shall resolve the following issues:

1. There is no Proof of Service on file showing all those entitled to notice have received it per Probate Code section 11601.
2. Attorney Patricia Brinkley filed a Request for Special Notice on December 29, 2023 and has not withdrawn it. Notice must be given to her.
3. Pursuant to Probate Code section 12200(a), a personal representative is to file either a petition for final distribution or a status report within one year of the date letters are issued if no estate tax return is required, and within eighteen months of the date letters are issued if an estate tax return is required. Here, letters were issued on August 2, 2022. As the estate is of an insufficient size to require an estate tax return, the petition for final distribution or a status report was due by August 2, 2023. No petition was filed until January 21, 2026. There is no explanation given for the failure to file status reports as

required.

4. Petition, item 8: The petition states that no creditor claims were filed against the estate. The court file shows that 3 creditor claims were filed and the petitioner has not filed the Allowance or Rejection of any of the filed claims. The petitioner shall explain.

5. Petition, item 19: The statutory calculation must be provided per Cal. Rules of Court, Rules 7.550 and 7.750. The petitioner was represented by counsel who is entitled to the payment of her statutory fees per Probate Code section 10810.

6. Petition, item 21: Please provide a copy of the seller's settlement statement provided to the personal representative at the end of escrow. (Prob. Code § 10901.)

7. Petition, item 25: A petition for final distribution must provide the detailed description and value of the estate to be distributed. (Solano County Local Rules, Rule 7.66(b).) Stating the percentages to be distributed to each heir is insufficient.
