Sabouri v. Dan

25STCV30524

Defendants' Demurrer

Defendants' Motion to Strike

Tentative Ruling

On May 13, 2026, Defendants' demurrer and

motion to strike was scheduled for hearing.

The Court issued an order finding that counsel had not met and conferred

as required by statute; continued the hearing to June 24, 2026; ordered counsel

to meet and confer by no later than May 20; and ordered counsel for the moving

party to file a declaration regarding compliance with the statutory

meet-and-confer requirement by no later than 7 days before the continued

hearing date.

No declaration was filed, but an amended

complaint was submitted on June 23, 2026.

The Court's tentative ruling is to order the

amended complaint to be filed; to place the demurrer and motion to strike off

calendar; and to continue the case management conference for approximately 60

days.
