Case Management Conference

Tentative Ruling: NO APPEARANCES REQUIRED. This matter is on for the tenth hearing since the petition for probate was heard in 2021. In light of the information contained in the case management statement filed June 11, 2026, the matter is CONTINUED to October 15, 2026, at 3:00 p.m. in Department 12 for status of final distribution and account. If a petition for approval of a final distribution and account, or on waiver of account, has not been filed at least seven days prior to the next hearing, the Court will issue an Order to Show Cause why the administrator should not be removed and/or sanctioned and the case dismissed without an order of discharge. The Court directs that a copy of these minutes be mailed to the bond company.
