Motion to Vacate / Set Aside Dismissal

Tentative Ruling: APPEARANCES REQUIRED. The motion to vacate the order of dismissal without prejudice is GRANTED. Matter is reinstated. Appearances are required for the purpose of setting a trial date. As to the claim of a lack of notice, the Court had supposed the tentative ruling, written before the untimely statement of issues was filed by petitioner, would provide notice and generate a request to appear. However, petitioner's counsel now acknowledges he did not check it and no timely request to appear was received by the Court. As to the claim of no prior notice of the issue related to the exemption trust, Petitioner is directed to see the minutes of July 11, 2025, which were served to him by mail.
