Conservatorship of Maurice Ainsworth

24PR01064

Order to Show Cause

Tentative Ruling: NO APPEARANCES REQUIRED. The Court has received and reviewed the response to the Order to Show Cause (OSC) and is satisfied with the explanation provided. The OSC is dismissed. The response attaches a First Account and Report of the Conservator, however this is a document that must be filed as a petition with a notice of hearing and served on all parties. It appears conservator may have attempted to do just that but the filing was rejected. This matter is therefore CONTINUED to October 1, 2026 at 3:00 p.m. in Dept. 12 to allow conservator another opportunity to file a petition for approval of the first account and report. However, based on the information provided in the attachment to the response to the OSC, it appears the conservatee may qualify for a waiver of account (Request and Order for Waiver of Accounting, Judicial Council Form GC-410). If appropriate, conservator may instead file for a waiver of account.
