**1. M-CV-0085478 LININGER, THOMAS v. MALEK, MANASA**

Defendant Manasa Malek's Motion to Determine Reasonable Medical Charges and Release Funds

The motion is denied. Defendant did not properly serve defendant Nadine Yassa, who is represented by counsel. Moreover, defendant Yassa has filed a cross-complaint in this action involving the disputed funds. The current motion improperly seeks a final determination on a contested issue that requires trial.

The matter is set for a four (4) hour court trial for **WEDNESDAY, JANUARY 6, 2027 at 8:30 A.M. in DEPARTMENT 4**. The clerk to give electronic notice to the parties of the trial setting.

The case management conference set for December 4, 2026 is vacated.

Plaintiff's Motion for Judgment on the Pleadings

The motion is continued to **AUGUST 21, 2026 at 8:30 A.M. in DEPARTMENT 1**. It is noted that the court file does not include a filed notice of motion. Upon review of the court's case management system, it appears that a clerical error occurred related to the motion. Defendant Riki Mann's Amended Motion to Quash Levy and Release Funds

The motion is denied without prejudice.

Defendant has not shown that plaintiff and/or the recorded assignees were properly served with the current motion. The original proof of service does not identify that all parties were properly served or at what addresses they were served. **17. S-CV-0056439      KENDRICK, COREY v. HOOKED ON SOLAR**

Plaintiff's Motion for Approval of PAGA Settlement

The unopposed motion is granted.

The court reviews the moving papers – along with the entirety of the court file – to determine that the settlement is genuine, meaningful, and consistent with the underlying purposes of the PAGA-related statute. (Labor Code section 2699(s)(2); *O'Connor v. Uber Technologies, Inc.* (N.D. Cal. 2016) 201 F.Supp.3d 1110.) The court must also determine whether the PAGA settlement appears fundamentally fair, reasonable, and adequate. (*Ibid.*) The court has carefully reviewed and considered the PAGA settlement and plaintiff's moving papers filed in connection with the motion. The court determines a sufficient showing has been made that the settlement is fair, reasonable, genuine, meaningful, and consistent with the purpose of PAGA. The court incorporates by reference the findings and order outlined in the proposed order lodged on June 22, 2026.
