CASE NO.: 25STCV15166

[TENTATIVE] ORDER DENYING MOTIONS TO COMPEL
FURTHER DISCOVERY RESPONSES

Dept. 506

8:30 a.m.

August 18, 2026

On January 9, 2026, Plaintiff
Keyshawn Johnson filed a motion to compel Defendant Christopher Ellison's further
responses to Form Interrogatories, Set One and Special Interrogatories, Set One.

Despite
being scheduled as only one motion and one hearing, the total substance of the motion
is that of two motions. This unfairly allows
Plaintiff to take only one hearing reservation (instead of two) and results in an
inaccurate projection and accounting of the Court's workload, inconveniencing both
the Court and other litigants. Plaintiff
is ORDERED to pay one additional motion filing fee within 10 days.

According
to both the Opposition and Reply, Defendant served supplemental responses on August
4, 2026. The motion is therefore DENIED AS
MOOT. If the responses are indeed deficient,
as Plaintiff contends in the Reply, then Plaintiff's remedy is to seek further responses,
following the procedures under the law and Exhibit A of Department 506's Courtroom
Information (available on the Court's website).

The Court will not review the sufficiency of new responses with this motion.

The

request for sanctions is also DENIED. Defendant's

objections raised issues with confidentiality, trade secrets, and third-party privacy. (See Opposition at pp. 3-4.) A Protective Order was not entered until July

24, 2026, and Defendant provided supplemental responses shortly thereafter, on August

4, 2026. Under these circumstances, the Court

finds that Defendant acted with substantial justification and the imposition of

sanctions would be unjust. (See Code Civ.

Proc., § 2030.300, subd. (d).)

Plaintiff's

two other motions scheduled for August 20, 2026 (regarding Requests for Production

of Documents and Requests for Admission) are ADVANCED to this date and are also

DENIED AS MOOT.

A

Non-Appearance Case Review re: Payment of Additional Filing Fee is scheduled for

September 2, 2026 at 9:00 a.m.

Moving

party to give notice.

Parties

who intend to submit on this tentative must send an email to the Court at

indicating intention to submit. If all parties

in the case submit on the tentative ruling, no appearances before the Court are

required unless a companion hearing (for example, a Case Management Conference)

is also on calendar.

Dated this 18th day of August 2026

Hon. Thomas D. Long

Judge of the Superior

Court
