Jessica Coll v. Alliance RV, LLC, et al.,

24NWCV05070

This lemon law action was filed on December 30, 2024. Trial is scheduled to begin on January 25, 2027. Defendant Alliance RV, LLC, joined by Giant Inland Empire RV Center, Inc. (collectively, Defendants) now apply ex parte to continue the trial date to September 27, 2027 and continue related deadlines. Defendants move on the grounds that Plaintiff has not responded to certain discovery requests and if the trial date is not continued, Defendant will not be able to move for summary judgment prior to the motion deadline.

In opposition, Plaintiff Jessica Coll (Plaintiff) argues that Defendants' discovery requests were not properly served. Plaintiff further argues that a nine-month continuance is not a short continuance.

Defendants' ex parte application to continue the trial date and related deadlines is DENIED without prejudice. Based on the arguments raised by Plaintiff in opposition, such as not having received the discovery requests, Defendants do not show exigency.

Moving party to give notice.
