Conservatorship Compliance

The following documents have not been filed with the court pursuant to the Court's order to file the documents, issued on February 18, 2026:

Notice of Conservatee's Rights (Form GC-341) (Prob. Code, § 1830(c).) Form GC-341 must be timely mailed to the conservatee and to the conservatee's relatives within the second degree (grandparents, parents, siblings, adult children, and adult grandchildren). The Proof of Service on file shows that service of the Notice was only sent to the conservatee.

PLEASE NOTE: Failure to submit the required documents listed in the previous Conservator Compliance Order is a breach of fiduciary duty as a conservator, and can result in removal as conservator and surcharge. (Prob. Code, § 2650(c).) If you are removed from office, a successor conservator will be appointed and will be entitled to collect fees. The death of the conservatee does not relieve a conservator of the duty to cure the deficiencies from the previous hearings.

Court Investigator's Initial Review

No appearances are required. The court investigator's report has been received and recommends that the conservatorship continue.
