IN RE THE ESTATE OF PHILIP A. VELEZ, DECEASED
PR26-00384

Petition for Probate of Will and for Letters Testamentary and Authorization to Administer Under the Independent Administration of Estates Act

PREGRANT ORDER

This matter was continued from July 23, 2026 to allow the petitioner to resolve issues with the general petition. The court on July 1, 2026 appointed the petitioner as the special administrator and those letters are now expired. The court has read and considered the Response to Pregrant Notes filed on July 22, 2026 which did not resolve any of the issues with the general petition and cannot give counsel guidance on how to proceed.

The court on its own motion continues this hearing to November 18, 2026, at 9:30 a.m. in Department 22. Pending the continued hearing, the petitioner shall resolve the following issues as they relate to the general petition:

1. The original will is not on file. (Prob. Code §8200.)
2. Petition, item 3.e: While the petition indicates the will waives bond, there is no will attached to the petition. In addition, the estate has a high value of liquid assets and the petitioner is not an heir of the estate. The court intends to set a bond to protect the assets of the estate, heirs and potential creditors.
3. Petition, item 3.f: There is no will attached.
4. Petition, 8: The petitioner states that he is the named executor, but did not list his complete mailing address. The petitioner shall provide the missing information for himself and any other persons mentioned in the will.
5. There is no proof of service for the general petition on calendar July 23, 2026 only for the petition for special administration.
6. There is no proof of publication on file. (Prob. Code § 8124.)
