GUARDIANSHIP OF AVA & JAIDA BARTON AND LAYLA MILLER

Case Number: 25PG-0032883

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Persons. The Petition was filed by non-relative caregivers Theresa and John Webb. Letters of Temporary Guardianship issued on June 4, 2025. The Temporary Guardianship's powers are set to expire today unless further extended.

An amended Petition has been filed curing the defects previously raised and is accepted by the Court, despite that form ICWA-010(A) for each minor is not attached. The original Petition contains an ICWA-010(A) for each minor indicating the Guardians have no reason to believe any of the minors are Indian children. The Court will dispense with notice to the deceased father of Ava and Jaida. There is still no valid proof of service of the Notice of Hearing on the father or paternal grandparents of Layla. Insufficient information has been provided to permit the Court to dispense with notice to these parties. The Court notes the proof of service filed July 29, 2025, indicates father was again served by mail, which is insufficient. The father must be personally served in order to move forward on the Petition. Prob. Code § 1511(b). The paternal grandparents may be served by mail. Prob. Code § 1511(c). Alternatively, the above parties can sign a consent and waiver of notice (GC-211, section 4), in lieu of being served.

The Court has reviewed the Children's Services report, May 1, 2025, which recommends granting the Petition. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage. The matter is continued to **Monday, September 15, 2025, at 8:30 a.m. in Department 42** for further proceedings on the Petition. The Temporary Guardianship is ORDERED to remain in effect until the continued hearing date. Petitioners are ORDERED to file and serve a new Notice of Hearing, along with a copy of the Petition, for the continued hearing date on the parties identified above. In the alternative, if Petitioners cannot serve the parties identified, the Court will require a declaration explaining in detail all efforts of Petitioners to locate and serve them and why they cannot be served, to permit the Court to dispense with notice. **Warning: Failure to properly effect service or provide adequate basis to dispense with service as to the necessary parties will result in denial of the Petition. Notice is preserved. No appearance is necessary on today's calendar.**

GUARDIANSHIP OF KAMDEN BIANCO

Case Number: 22PG-0031746

However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Successor Guardian of the Person and a Petition to Remove Guardians filed by Julie Davis. Both Petitions are currently set for a contested hearing on Friday, August 15, 2025. Ms. Davis has requested temporary letters on multiple occasions. The most recent request filed July 16, 2025, was denied pending hearing. There is no proof of service on file for any parties entitled to notice regarding the

Petition to Appoint Temporary Guardian; thus, the request for temporary letters remains **DENIED**. Sunney and Bailey McNabb continue to be the current Guardians of the minor.

The matter is also on calendar for hearing on a Petition for Termination of Guardianship, filed by Co-Guardian Bailey McNabb. There is no proof of service on file for any parties entitled to notice. The Court notes Ms. McNabb is requesting to remove herself as Co-Guardian. A Petition for Termination of Guardianship is not the proper process to remove a Co-Guardian. The Petition is **DENIED**. Ms. McNabb will need to file a properly noticed Petition for Removal of Co-Guardian and is encouraged to seek assistance from an outside attorney or the Self-Help Center on the third floor of the courthouse, room 320. **No appearance is necessary on today's calendar. GUARDIANSHIP OF LEONARDO BOUNLEUTTAY

Case Number: CVPG18-0029802

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. This matter is on calendar for further proceedings regarding a Petition for Transfer of Venue, filed by the Guardian. The matter has been continued several times to allow Petition to file an amended Petition to cure the defects raised on March 3, 2025. An amended Petition has still not been filed. A Notice of Hearing has not been filed or served for today's date. A Local Form

(PRB-107) has been approved by the Court for use in seeking a Petition to Transfer Venue in guardianship actions. The Guardian may obtain the Local Form from the Court's website, the Clerk's Office or the Self-Help Center on the third floor of the courthouse, room 320. The Self-Help Center may also be reached by phone or email as set forth on the Court's website.

The Court notes a Confidential Guardianship Status Report was filed January 6, 2025. No response to the Order to Show Cause has been submitted. The Court will continue today's hearings to provide the Guardian with additional time to amend the Petition to Transfer using the Local Form. GUARDIANSHIP OF EMMALYNN BUTLER

Case Number: 25PG-0032854

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person of minor. The Petition was filed by the minor's maternal grandmother, Jackie Lynn Lauth. Letters of Temporary Guardianship have not issued. An objection has been filed by mother Genevieve Butler.

The amended Confidential Screening Form filed July 7, 2025, is accepted by the Court. The Court will dispense with notice to the paternal grandfather. There is now proper proof of service on file for the maternal grandfather, paternal grandmother, and siblings Jeremiah and Cheveryo. There is still no proof of service demonstrating timely service for the father. The Court notes an Affidavit of Unsuccessful Service was filed July 24, 2025, regarding attempts to serve father. Proofs of Service filed July 30, 2025 upon newly identified siblings Teegan and Quinn and father are untimely. Service must be effectuated 15 days in advance of the hearing. Further, the proof of service does not indicate that the siblings were served with the Petition. The father must be personally served with a new Notice of Hearing for the continued hearing date in order to move forward on the Petition. Prob. Code § 1511(b). The siblings, Teegan and Quinn, must be served with a new Notice of Hearing and a copy of the Petition. ICWA notification has been properly given, and no tribe has requested to intervene in this matter. The Court has reviewed the Court Investigator's report filed May 1, 2025, which recommends granting the Petition.

This matter is continued to **Monday, September 15, 2025, at 8:30 a.m. in Department 42** for further proceedings on the Petition. Petitioner is **ORDERED** to file and serve a new Notice of Hearing for the continued hearing date on the father and siblings identified above. A copy of the Petition must also be served upon the siblings. **Warning: Failure to properly effect service or provide adequate basis to dispense with service as to the necessary parties will result in denial of the Petition. Notice is preserved.**

In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Persons and a Petition to Fix Residence Outside the State of California. Both Petitions were filed by the minor's maternal grandmother, Rachel Heckler. Letters of Temporary Guardianship issued on February 6, 2025. The Temporary Guardianship's powers are set to expire today unless further extended.

Petition for Appointment.

Nothing has been filed to cure the defects raised at the last hearing. There is still no valid proof of service on the mother, Harmony's father, Adanae's father, Harmony's paternal grandfather, Adanae's paternal grandparents, minor Harmony, or sibling Anthony. Petitioner must still complete an Amended ICWA-010(A) for each child with information regarding her inquiry into whether Harmony and Adanae may be Indian Children. The Court noted at the hearing on April 28, 2025, that the ICWA packet sent to the Cherokee Nation was returned due to insufficient postage and directed the clerk to resend the packet. Inadvertently, the packet was not resent. The Court again directs the clerk's office to resend the ICWA packet to the Cherokee Nation.

Petition to Fix Residence.

There is still no proof of service on any individual entitled to notice. The mother, both fathers, and the minor Harmony must be properly served for the Court to move forward with the Petition. The parties may be served by mail.

The matter is continued to **Monday, September 22, 2025, at 8:30 a.m. in Department 42** for further proceedings on both Petitions. The Temporary Guardianship is **ORDERED** to remain in effect until the continued hearing date. Petitioner is **AGAIN ORDERED** to file the required documents above. In the alternative, if Petitioner cannot serve the parties identified, the Court will require a declaration explaining in detail all efforts of Petitioner to locate and serve them and why they cannot be served, to permit the Court to dispense with notice. Petitioner is again encouraged to seek assistance from an outside attorney or the Self-Help Center located on the third floor of the courthouse, room 320. **Warning: Failure to properly effect service or provide adequate basis to dispense with service as to the necessary parties will result in the denial of both Petitions and a referral to Children's Services at the next hearing. Therefore, the Court will dispense with service upon the minor. The Court has reviewed the Court Investigator's report, April 30, 2025, which recommends granting the Petition. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The Court GRANTS the Petition. A proposed Order has been submitted and will be executed by the Court. The matter is set for Annual Review on **Monday, August 10, 2026 at 8:30 a.m. in Dept. 42.** No appearance is necessary on today's calendar.

GUARDIANSHIP OF SCARLETT DIANASIC

Case Number: 25PG-0032985

This matter is on calendar for hearing on a Petition for Appointment of Guardian of the Person. The Petition was filed by the minor's maternal aunt and uncle, Cassondra and Calen Bastian. Letters of Temporary Guardianship were denied pending hearing.

There is proper proof of service on file for the maternal grandfather, and two siblings. The Court will dispense with notice to the unknown father, deceased maternal grandmother, unknown paternal grandparents, and sibling Alexander. There is no proof of service of the Notice of Hearing for the mother and insufficient information has been provided to permit the Court to dispense with notice. The mother must be personally served in order to move forward on the Petition. Prob. Code § 1511(b). Alternatively, the mother can sign a consent and waiver of notice (GC-211, section 4), in lieu of being served. The Court has reviewed the Court Investigator's report filed July 21, 2025, which generally recommends granting the Petition. The Court will inquire whether the child is or may be an Indian child. There is still no valid proof of service on file for the maternal grandmother, paternal grandfather, and sibling Keoni. Insufficient information has been provided to permit the Court to dispense with notice to these parties. The Court notes the proof of service filed July 17, 2025, for the paternal grandfather indicates a Notice of Hearing was served; however, a Notice of Hearing was not filed for today's date. The Court must assume notice was served for a prior hearing. This is not sufficient. Additionally, proof of service was filed for Jean Garcia. It is not clear how Jean Garcia is related to the minors.

The Court has reviewed the Court Investigator's report, filed May 20, 2025, which recommends granting the Petition. The Court will inquire whether the child is or may be an Indian child. This matter is on calendar for hearing on a Petition for Change of Name filed by Teresa Trent, who seeks to change the name of Jonathan Michael Stringer to Steven Brandon Trent. Ms. Trent was appointed as Guardian of Jonathan Michael Stringer on January 25, 2021. Pursuant to Prob. Code § 1600, the guardianship terminates by operation of law on August 2, 2025, which means Mr. Stringer will no longer be subject to guardianship for the hearing. The Court notes the proof of service filed for mother does not indicate a copy of the Order to Show Cause was served. However, since Mr. Stringer has reached the age of majority, service on the mother is no longer required. All procedural requirements of CCP §§ 1275 et. seq. have been satisfied, with the exception that the original proof of publication has not been filed. The Court notes a copy of the proof of publication was filed July 22, 2025. This is insufficient. The Court intends to grant the Petition upon confirmation from Mr. Stringer that he is requesting a change of name and submission of the original proof of publication. **An appearance is necessary on today's calendar by Jonathan Michael Stringer.**

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person. The Petition was filed by non-relative, Emily Clendenen. Letters of Temporary Guardianship were requested but denied pending hearing.

An amended ICWA-010(A) has not been filed to cure the defects raised at the last hearing. A Notice of Hearing was filed for today's date; however, there is still no proof of service of the Notice of

Hearing for the mother, father, minor, and paternal grandparents. Insufficient information has been provided to permit the Court to dispense with notice to these parties. The parents and minor must be personally served in order to move forward on the Petition. Prob. Code § 1511(b). All other parties may be served by mail. Prob. Code § 1511(c). Alternatively, the above parties can sign a consent and waiver of notice (GC-211, section 4), in lieu of being served.

The Court has reviewed the Children's Services report filed June 20, 2025, which recommends granting the Petition. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage. Petitioner is **ORDERED** to complete and file an amended ICWA-010(A). Petition is also **ORDERED** to file and serve a new Notice of Hearing, along with a copy of the Petition, for the continued hearing date on the parties identified above. In the alternative, if Petitioner cannot serve the parties identified, the Court will require a declaration explaining in detail all efforts of Petitioner to locate and serve them and why they cannot be served, to permit the Court to dispense with notice. **Warning: Failure to properly effect service or provide adequate basis to dispense with service as to the necessary parties will result in denial of the Petition. Notice is preserved. No appearance is necessary on today's calendar.**
