ESTHER ALICIA ARMENTA

vs LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY, et al., Case No.
23NWCV03412

This personal injury action was filed on October 24, 2023. Plaintiff Esther Alicia Armenta, pro per, alleges she became stuck under a metal ramp of a bus operated by Defendant Los Angeles County Metropolitan Transportation Authority and driven by Defendant Jane Doe. Defendant Los Angeles County Metropolitan Transportation Authority moves for terminating sanctions against Plaintiff on the grounds that Plaintiff has repeatedly failed to comply with Court-ordered alternative dispute resolution proceedings. Specifically, Plaintiff failed to participate in the Court-referred Mediation Volunteer Panel ("MVP") mediation after confirming her attendance. Additionally, following this Court's May 14, 2026 Order directing the parties to participate in a Mandatory Settlement Conference conducted through the Resolve Law LA Virtual MSC Program, Plaintiff again failed to participate despite expressly confirming her availability and receiving repeated notices, reminders, and instructions regarding the conference. On July 23, 2026, the motion was advanced from October 6, 2026 to today, the date set for trial. Plaintiff has not opposed the motion. Plaintiff has also failed to cooperate with Defendant in the preparation of joint trial documents as ordered by the Court on July 23, 2026. (Declaration of Albert De Blanc, Jr.) The motion for terminating sanctions is GRANTED. Plaintiff's repeated failure to comply with the Court's orders has prejudiced Defendant's ability to obtain a cost-effective case resolution and to prepare for trial. Plaintiff's Complaint is dismissed with prejudice. Moving party to give notice.
