TENTATIVE RULING

Hearing Date: July 31, 2026

Siyang

Yin v. Porsche Cars North America, Inc., Case No. 25STCV16195

Plaintiff's

Motion to Compel Further Responses to Requests for Production (Set One), filed
May 5, 2026

This Motion

seeks an order compelling further responses to Plaintiff's RFPs (Set One). Defendant's responses were served on December 16, 2025, and Plaintiff filed the Motion to Compel on May 5, 2026, 140 days

after the Responses were served. Code of

Civil Procedure section 2031.310(c) requires a motion to compel to be filed

within 45 days after service of the response to which the motion pertains. Courts have held the deadline a mandatory and jurisdictional. (Sexton v. Superior

Court (1997) 58 Cal.App.4th 1403, 1410.)

Plaintiff has offered no factual or legal reason why the deadline should
not apply to this case.

For the reasons

stated above, Plaintiff's Motion to Compel is denied.
