Tentative Ruling

Judge Kevin C. Brazile

Department 310

Hearing Date: July 22, 2026

Case Name: Avalos v. USC, et al.

Case No.: 24STCV10544

Matter: Motions to Compel Further Responses (2x)

Ruling: The Motions are denied.

Moving party to give notice.

The Court encourages all parties to appear remotely via LA CourtConnect. If submitting on the Court's tentative ruling, please follow the instructions provided above.

On October 8, 2024, Plaintiff Oswaldo Hasbun Avalos filed the operative First Amended Complaint ("FAC") against Defendants University of Southern California ("USC"), LA County, and Pacific Healthworks, LLC for (1) whistleblower retaliation, (2) FEHA retaliation, (3) FEHA harassment, and (4) FEHA failure to prevent retaliation and harassment.

Defendant USC now seeks to compel further responses to its Requests for Admission and Requests for Production from Plaintiff Oswaldo Avalos.

Because Plaintiff served supplemental responses, the Motions are denied as moot. While USC contends the responses are again deficient, the proper course is to further meet and confer as it seems that process never ended.

No sanctions at this time.

Moving party to give notice.
