Estate of David Bruce Greenwald

24PR01012

Account & Report

Tentative Ruling: APPROVED. NO APPEARANCES REQUIRED. Absent objection, the preliminary distributions are approved. Statutory fees are miscalculated as \$24,525.00; The correct amount is \$23,762.64. Extraordinary fees are approved in the amount of \$2,700.00. In making this determination, the court has considered the nature and difficulty of the tasks performed, the time spent, the results achieved, and, primarily, the compensation customarily allowed by the court in the community where the court is located (or \$450 per hour). The proposed order has been modified to reflect these changes. Any future court dates are DROPPED from calendar.
