ESTATE OF PAUL CHAMBERLAIN

CASE NUMBER: 26PB-0033448

This matter is on calendar for hearing on an amended Petition to Determine Succession to Primary Residence. The matter has been properly noticed with proof of service on file. No objections have been raised. The Petition seeks to transfer the decedent's 50% property interest to the Petitioner. The Petition states that even though title was held as joint tenants (without right of survivorship), the home is community property because the parties were married prior to the decedent's death and Petitioner is therefore entitled to 100% interest. It is presumed that property acquired by a married person while domiciled in the State of California is community property. Family Code Section 760. Evidence Code section 662 provides that the owner of the legal title to property is presumed to be the owner of the full beneficial title. This presumption may be rebutted only by clear and convincing proof. Here, no facts have been provided to support application of the community property presumption or to overcome the presumption of title. No assignments have been filed by the remaining heirs to assign their interest in the decedent's separate property to Petitioner.

The matter is continued to **Monday, September 14, 2026, at 2:30 p.m. in Department 44** for further proceedings on the amended Petition to Determine Succession to Primary Residence. A supplemental declaration is required to address application of Family Code Section 760 and Evidence Code 662. **No appearance is necessary on today's calendar.**

ESTATE OF DONAL DIAZ

CASE NUMBER: 25PB-0032942

This matter is on calendar for hearing on an Ex Parte Application and Motion to Vacate Dismissal and to Reinstate/Reissue Letters to Public Administrator. The Public Administrator seeks to vacate the Court's order dated June 5, 2026, insofar as it dropped the Petition and ordered the case closed and reinstatement as the Personal Representative. The Public Administrator was previously appointed as Personal Representative on June 30, 2025. A trial was held in which the Court entered a settlement between the parties and dismissed a competing Petition filed by Lori Nixon. Inadvertently, the entire case was closed. The Court notes the matter has not been properly noticed. However, considering the case was closed in error, the Application is **GRANTED**. A proposed Order has been lodged and will be executed. The Public Administrator is ordered to serve a copy of the order on all parties entitled to notice. **No appearance is necessary on today's calendar.**
