Case Number: 24STCV23341 Hearing Date: July 27, 2026 Dept: 9

The Court hereby distributes a tentative Minute Order for the July 27, 2026 STATUS CONFERENCE. The parties are welcome to provide input and propose modifications to any aspect of the minute order at the Initial Status Conference, INCLUDING A FURTHER CONTINUANCE OF THE STATUS CONFERENCE BEYOND 9/11/26 IF THE PARTIES WISH. If all parties submit on the tentative minute order prior to the commencement of the July 27, 2026 STATUS CONFERENCE, the Court will adopt the tentative minute order, and the parties need not appear. However, if there is any matter that any party would like to discuss, including any proposed change to this tentative minute order, that party should not submit on this tentative but instead appear at the STATUS CONFERENCE to raise the issue. To avoid a failure to appear, please make sure to check in with Department 9 court staff and wait for the case to be called unless you receive notification that all parties have submitted on the tentative minute order.

TENTATIVE MINUTE ORDER FOR 7/27/26:

The Court has reviewed the Joint Status Report filed on 7/20/26.

In their Joint Status Report, the parties indicate that the Serrano (24STCV23341) and Robinson (24STCV23802) actions are scheduled for mediation on October 13, 2026. The Parties in the Padilla (25STCV34499) and Nolasco (25STCV34308) actions are currently discussing mediation. On July 20, 2026, the Parties for all Related Cases met and conferred and agreed on requesting a continuance of all Initial Status Conferences and/or Case Management Conferences in the Related Cases by forty-five (45) days, or to a time thereafter convenient to the Court, with a stay on discovery or pleadings

in all cases during that time, to allow the Parties in Padilla and Nolasco to continue meeting and conferring regarding mediation.

The Parties' joint request to continue the initial and further status conferences in all four related cases and to stay discovery in the meanwhile is granted.

By stipulation of all parties in all four related cases, the status conference in each of the four related cases is continued to 9/11/26 at 10 AM.

By no later than 9/4/26, the parties must file a further Joint Status Report that addresses (1) the balance of discovery and discovery motions for all related cases; (2) a timeline and deadlines for (a) mediation (indicating which of the related cases will participate in the mediation), (b) filing of responsive pleadings, (c) pre certification discovery, and (d) filing class certification motions; and (3) whether the Parties are amenable to extending the deadline by which trial must commence for purposes of Code of Civil Procedure section 583.310 with regard to the Related Cases.

By stipulation of all parties in all four cases, discovery remains stayed in Padilla and Nolasco until at least the next status conference.

Defendant is ordered to give formal notice to all other parties in all four related cases and file proof of service of such.
