Meet and

confer. Technically, the MIL's were due to be filed 16 court days plus 2 days for emailing prior to the FSC, so they are a couple of days late.

And there are a lot of them. Perhaps counsel can all work out a schedule by stip? The court has a firm trial date on 8/14 with the plaintiff flying in from another country that is a restart from a mistrial so unlikely this case can start on the 11th anyway.
