Case Number: 26STCV10416 Hearing Date: July 27, 2026 Dept: 9

The Court hereby

distributes a tentative ruling for the Case Management Order. The parties are welcome to provide input and propose modification(s) to any aspect of the CMO at the Initial Status

Conference. If all parties submit on the

tentative CMO prior to the commencement of the July 27, 2026 ISC, the Court

will adopt the tentative CMO, and the parties need not appear. However, if there is any matter that any

party would like to discuss, including any proposed change to this tentative

CMO, that party should not submit on this tentative but instead appear at the

ISC to raise the issue. To avoid a

failure to appear, please make sure to check in with Department 9 court staff

and wait for the case to be called unless you receive notification that all

parties have submitted on the tentative CMO.

SUPERIOR

COURT OF THE STATE OF CALIFORNIA

FOR

THE COUNTY OF LOS ANGELES

ERIN

PETTYJOHN vs DOMUSO INC., 26STCV10416

[TENTATIVE] CASE MANAGEMENT

ORDER

This action has been designated as

complex pursuant to CRC 3.400(a), and thus requires exceptional judicial

management. All provisions of this CMO are deemed necessary to carry out the

purposes of Rule 3.400(a), and to promote effective decision-making by the Court. They are based upon individual consideration of this complex action, including the Status Conference Reports previously filed by the parties.

1.

Mediation: The

parties are ordered to meet and confer regarding their willingness to participate in private mediation, and if agreeable to all parties, the parties may schedule a mediation. The parties are further ordered to file a Joint Status Report Re: Mediation Efforts, including whether the Parties have agreed to mediate, the identity of any mediator they may have selected, and the date of any mediation they may have scheduled, by no later than August 27, 2026. A Non-Appearance Case Review Re Mediation Efforts is set for September 3, 2026 at 8:30 AM, Department 9.

2.

Applicable Arbitration Agreement(s): Defendant states that Plaintiff has signed an arbitration agreement with a class action waiver.

3.

Defendant's Responsive Pleading: The Court hereby lifts the stay to permit Defendant to file and serve a Motion to Compel Arbitration or a Responsive Pleading to the operative Complaint. Defendant must file and serve a Motion to Compel Arbitration or a Responsive Pleading by no later than August 27, 2026.

Before filing any motion, the moving party must contact the Court Staff in Department 9 when ready to file the moving papers to obtain a hearing date and a briefing schedule. The Court sets a Non-Appearance Case Review Re: Filing and Serving of Defendant's Responsive Pleading for September 3, 2026, 8:30 AM, Department 9.

4.

Phased Discovery. Discovery shall be phased. Upon the filing of any motion to compel arbitration, the stay shall be lifted, and the parties will be permitted to conduct discovery on the arbitration issue only. Upon ruling on Defendant's anticipated motion to compel arbitration, the parties can meet and confer to propose whether to bifurcate merits discovery from certification discovery if necessary.

5.

Protective Order.

Parties are alerted that model protective orders may be found at Los

Angeles Superior Court website at <http://www.lacourt.org/division/civil/CI0043.aspx>. The parties are encouraged to use these model

orders as shown, or if modified, as a template for the modified order. A redlined courtesy copy must be posted on the e-service bulletin board and lodged with the court at the time of filing.

The parties must use the redlined version to identify any changes proposed to the model order.

6.

E-service & E-filing. Electronic service is not the same as

electronic filing. The parties have

agreed, and the Court has signed an order authorizing Case Anywhere as the e-service to be used in this case.

Argument must not be posted on the bulletin board. For information on electronic filing in the

Complex Courts, please refer to <https://www.lacourt.org/division/efiling/efiling2.aspx> and <http://www.lacourt.org/division/efiling/pdf/ComplexefilingFAQs.pdf>.

a. The

parties should be aware that if they submit a proposed order, then if and when the Court approves the order, the final signed order will be electronically returned to the Electronic Filing Service Provider (EFSP). After lodging a proposed order, the parties must frequently monitor and check with their EFSP because the final, signed order will not be automatically uploaded to CaseAnywhere or any other electronic bulletin board.

7.

Hearing Dates and Briefing Schedule for Motions: Department 9 does not use the Los Angeles

Superior Court online Court Reservation System (CRS) to set motion hearing

dates. To request a hearing date and

briefing schedule for any and all motions (other than motions in limine), the

moving party must call the Court Staff in Department 9 when ready to file the

moving papers. The first page of the Notice

of Motion must clearly set forth the hearing date and briefing schedule obtained

from the Court. Failure to file and

serve moving papers within 1 court day of obtaining the briefing schedule and

hearing date may result in the Court vacating the hearing date. At the trial setting conference, the Court

will specially set a briefing schedule for all motions in limine, which are

generally heard at the Final Status Conference.

8.

Class Certification Motion. The Court will set a deadline for filing and serving the Class Certification Motion after ruling on the anticipated Motion to Compel Arbitration. If no party files a Motion to Compel Arbitration, then upon the filing of all Defendants' responsive pleadings, the Court will set a deadline for filing and serving the Class Certification Motion that will be approximately one year from the filing of all Defendants' responsive pleadings.

9.

Discovery conferences. Participation in an informal discovery conference is not a prerequisite to filing a motion to compel further or other discovery motion in Department 9.

However, the Court strongly encourages informal discovery conferences as a more efficient and cost effective alternative to resolve discovery disputes without unnecessary motion practice. The Court will likely consider the parties' voluntary participation in an informal discovery conference or other similar efforts when subsequently assessing a party's request for discovery sanctions.

Any party may post a message on the electronic bulletin board to request an informal discovery conference. The Court will either reply to the message or issue a minute order setting the conference. A party's request for or voluntary participation in an informal discovery conference does not extend the deadline to file and serve a timely motion to compel further responses. If the parties wish, they may negotiate and stipulate to a mutually agreeable extension in writing. Because informal discovery conferences are informal, no court reporter or audio recording is permitted.

10.

Potential Related Cases. Counsel are ordered to file and serve a Notice of Related Case for any potentially related cases pursuant California Rule of court Rule 3.300, including any class action involving overlapping claims and any PAGA case involving the same representative plaintiff. This is a continuing obligation on both Plaintiffs and Defendants while this case is pending.

11.

Settlement.

File a Notice of Settlement on Judicial Council form CM-200, a mandatory form.

a. Consider using the form wage and hour

settlement agreements now available on the court's website at <https://www.lacourt.org/forms/all> – "Civil Forms" section.

With input and unanimous consensus from an Ad Hoc Wage and Hour

Committee, the court posted: (1) a form class action settlement

agreement, (2) a form class action/PAGA settlement

agreement, (3) and a form PAGA settlement agreement. Using these

forms should cut down on attorney negotiation time and reduce the lag time

between a successful mediation and execution of a long form agreement. Filing a motion that is based on a form

agreement and includes a redlined copy identifying modifications will also

expedite the court's review process and help reduce the current backlog on

hearings.

b. If settlement includes dismissal of

class action claims (such as a PAGA only settlement or an individual settlement), then Plaintiff

must comply with CRC 3.769 and 3.770 in order to obtain dismissal of class

claims. Do NOT use Judicial

Council Form Civ-110, Request for Dismissal.

Plaintiff

is ordered to download (1) the instant signed order from the Court's

website, (2) the minute order for today, and (3) the signed order authorizing

electronic service provider, to give formal notice of each of these to all

other parties, and to file proof of service of such within five (5) days.

IT IS SO ORDERED.
