ANGELA WESEMAN vs

TAMARA HOEHN, Case No. 25NWCV04256

The partition action is set

for case management conference. On May

11, 2026, the Court ordered the parties to meet and confer regarding the fair market value of the Subject Property.

Plaintiff had filed two motions to compel further responses relating to offsets. The Court continued the motions

to today for motion setting, and it indicated to counsel that once a fair

market value was determined, the Court would be available for an informal

discovery conference to discuss the discovery motions. Plaintiff has since filed six additional discovery motions (scheduled for 8/21, 9/18, 10/6, 10/20 x 2, and 10/22). Defendant has filed one discovery motion (scheduled for 10/7). Discovery is

STAYED pending determination of the fair market value of the Subject Property

and an informal discovery conference regarding issues in dispute. All discovery motions are ADVANCED to today

and CONTINUED for motion setting to a date convenient for the court and

counsel. The Court will hear from the

parties regarding the appointment of an independent appraiser by the

Court.
