Judgment in the amount of \$9,886.29 is entered against defendant Joe Maldonado as to the first cause of action for open book account. The total judgment amount includes principal of \$9530.29 plus costs of \$356.00.

Plaintiff's Motion for Approval of PAGA Settlement and Attorney's Fees and Costs

The unopposed motion is granted.

The court reviews the moving papers – along with the entirety of the court file – to determine that the settlement is genuine, meaningful, and consistent with the underlying purposes of the PAGA-related statute. (Labor Code section 2699(s)(2); *O'Connor v. Uber Technologies, Inc.* (N.D. Cal. 2016) 201 F.Supp.3d 1110.) The court must also determine whether the PAGA settlement appears fundamentally fair, reasonable, and adequate. (*Ibid.*) The court has carefully reviewed and considered the PAGA settlement and plaintiff's moving papers filed in connection with the motion. The court determines a sufficient showing has been made that the settlement is fair, reasonable, genuine, meaningful, and consistent with the purpose of PAGA. The court incorporates by reference the findings and order outlined in the proposed judgment and order lodged with the court on July 16, 2026.

A review hearing is set for February 5, 2027 at 8:30 a.m. in Department 1.
