5VECV03178 Cohen & Marzban v Udewitz

This is the second request by defendant to extend the time for this demurrer. It was already continued for one month. Now, defendant wants 3 more months. The court previously denied the request to extend all deadlines by 90 days but allowed defendant to seek additional time as needed.

The demurrer and motion to strike were served on in this matter on 7/24/2026 which is 6 weeks ago. The court will grant an additional continuance for 60 days (which is the same as originally requested which was 90 days). However, the court points out that the papers filed for both ex parte applications are clear, cohesive, and intelligent, citing applicable law.

The hearing is continued to 11/23/2025 at 8:30 a.m. Opposition is due 9 court days prior to that hearing.
