Court Reporting Services – The Court does not provide official court reporters in proceedings for which such services are not legally mandated. Parties are responsible for either making the appropriate request in advance or arranging for their own private court reporter. Go to <http://napacountybar.org/court-reporting-services/> for information about local private court reporters. Attorneys or parties must confer with each other to avoid having more than one court reporter present for the same hearing.

In The Matter of Betty J. Dondero

25PR000252

MOTION FOR LEAVE TO FILE FIRST AMENDED PETITION

TENTATIVE RULING: The motion is GRANTED IN PART. Petitioners Sharon Reader and Robert Dondero are granted 10 Court days' leave to file a First Amended Petition in substantially the same form as that attached to the Joint Stipulation and Proposed Order Granting Petitioners Leave to File First Amended Petition, lodged with the Court on June 22, 2026. The request for an order deeming the First Amended Petition filed is DENIED.

Petitioners move, pursuant to California Code of Civil Procedure sections 473 and 576, for leave to file a First Amended Petition. Petitioners further move for an order deeming the First Amended Petition filed on the date this motion is granted by the Court.

The Court finds that Petitioners have complied with the requirements of Rules of Court, rule 3.1324, subdivisions (a) and (b). (See Declaration of John P. Einwechter and Exhibit attached thereto.) On June 22, 2026, the parties submitted to the Court a Joint Stipulation to the requested filing of the First Amended Petition. Based on the foregoing, the request for leave to file a First Amended Petition is GRANTED.

However, for file management reasons the Court does not permit operative pleadings to be filed as attachments to other documents. Petitioners' request for an order deeming the First Amended Petition filed is, therefore, DENIED.

In The Matter of Spiers 2023 Revocable Trust

26PR000110

PETITION FOR ORDER CONFIRMING TRUST ASSETS EFFECTIVELY TRANSFERRED TO TRUST

TENTATIVE RULING: The petition is GRANTED.

The moving party fails to include, in the notice of this motion, the current version of the Tentative Ruling notice required by Local Rule 2.9, effective 1/1/26. The current version allows a party or counsel to request a hearing by calling the Court or emailing the Court, at JudicialReception2@napa.courts.ca.gov and providing specified information set out in Local Rule 2.9. The moving party is therefore directed to immediately provide, by telephone call AND email, the current Tentative Ruling notice explicitly required by Local Rule 2.9 to opposing party/ies forthwith. The requirements for requesting oral argument under Local Rule 2.9 remain in effect. However, the Court may grant belated requests for oral argument or continuance of hearing, made by any party who represents it did not timely receive the required notice, regardless of whether or not moving party is present at the hearing.
