ORDER

RE:

DEFENDANT

FORD MOTOR COMPANY'S MOTION FOR SUMMARY JUDGMENT

The motion for summary judgment brought by Defendant Ford Motor Company is continued as set forth below.

Defendant has interposed 14 evidentiary objections. Plaintiff has interposed 3 evidentiary objections. In total, there are 17 evidentiary objections. Due to the voluminous number of objections, the hearing on the motion will be continued to a date that will be set at the Hearing on Objections discussed below.

The Court orders the parties to meet and confer by telephone or in person in a serious and good faith effort to resolve and eliminate the objections. The only objections that should remain are those that pertain to material evidence regarding material issues. Keeping the rules of evidence in mind, the parties should be able to reduce the objections to just a few. If any material objections remain unresolved, the parties are to set them forth in a joint statement with the text, the objection, and the argument of each side in favor of their respective positions regarding the remaining material objections, along with a space for a ruling.

The joint statement must be filed on or before _____ with a courtesy copy delivered to Department 508. The Court will review any remaining objections with the parties at a hearing on _____ at 2:00 p.m. (the "Hearing on Objections"). The date for the hearing on the motion will be set at the Hearing on Objections.

If necessary, based upon the resolutions reached during the meet and confer process and/or at the Hearing on Objections, the parties may

respectively file and serve revised briefing and evidence. The revised evidence may eliminate objectionable material; however, no new evidence or new argument is to be submitted unless it is as a result of compromises reached during the meet and confer process. In the event that revised briefing and evidence is necessary, the Court will discuss with the parties a briefing schedule for the revised briefing at the Hearing on Objections.

The

Court also notes that the moving party did not lodge the requisite summary judgment binders that were due with the reply brief.

Defendant is ordered to give notice of this Order.
