Case Number: 25STCV38035 Hearing Date: September 15, 2026 Dept: 1

This

is a wage and hour putative class and Private Attorneys General Act (PAGA) action. Plaintiff Jaleesa Fletcher (Plaintiff) alleges that she and others were employed by defendant Sadler Healthcare, Inc., during which employment Defendant committed various violations of labor law. Defendant moves to compel Plaintiff's claims to arbitration pursuant to an arbitration agreement she purportedly signed (the Agreement).

Defendant

presents the signed Agreement, bearing its initial burden under *Iyere v. Wise Auto Group* (2023) 87 Cal.App.5th 747, 755. (See *Oliveros Decl., Ex. A [Agreement]*.) The Agreement provides that "Proceedings pursuant to this Agreement shall be determined exclusively under the Federal Arbitration Act and in conformity with the procedures of the California Arbitration Act[.]" (*Id.*, p. 1.)

Plaintiff

has not filed a response to the motion. The motion is in order and will be granted. Plaintiff is required to arbitrate her individual claims against Defendant, including her individual PAGA claims. Her class claims are dismissed. Her non-individual PAGA claims remain stayed in this Court. The Court will set a further date for an arbitration status conference at the hearing on this motion. Defendant to give notice.
