**2025CUOR050597: TRACT 4379 IN THE CITY OF OXNARD HOMEOWNERS
ASSOCIATION INC. vs MARK CHRISTENSEN
09/14/2026 in Department 42
Motion for Preliminary Injunction**

Motion: Plaintiff's Motion for Preliminary Injunction (*unopposed*).

Tentative Ruling:

Plaintiff's Motion for Preliminary Injunction is DENIED without prejudice.

The motion was served electronically on an unrepresented party and there is no evidence that this party agreed to electronic service. (Code Civ. Proc., § 1010.6.) Plaintiff's moving papers also fail to establish irreparable harm. Plaintiff includes a report from a termite company that identifies a termite infestation and recommends fumigation. No information is provided as to the extent or activity of any infestation, nor does Plaintiff explain whether alternative treatments are available to address any concerns. In the context of a motion for preliminary injunction, Plaintiff must do more to meet its burden.

Notice to be provided by the Plaintiff.
