29	25PR-0363	Estate of: Rudolph Robinson	Petition Filed 10/24/2025 [DUE 6/16/26] - Spousal Property Petition; cont'd 6/2/26	HEARING LIST: *UPDATE* Zoom or personal appearance is required. 1. The Declaration filed on May 14, 2026 indicates that the E-trade account, the subject of this Petition, was created at approximately the time of marriage in 2014. The Declaration filed by the Attorney on June 1, 2026 indicates the account was opened August 13, 2013. The parties married April 18, 2014. Thus, the account was created prior to marriage. Petitioner alleges \$5,000 from a joint account held in 2013, prior to marriage, was used to open the account. These funds were not community property. It is unclear under what legal authority this asset is community property. Were the funds transmuted by later writing? The Petition does not so state, and indicates the opposite. There does not appear to be legal support to transfer the property under the theory currently before the Court. 2. The matter is recommended for denial as to the community property allegation. The Petition could be approved as a separate property asset with portions of the asset passing to the issue of a deceased sibling. The Court lacks information to determine the distribution under Probate Code section 6401 subsection (c)(2). A September 29, 2026 date remains on calendar if the parties wish to explore this distribution. It is unclear if the Petitioner still wants an evidentiary hearing. Notice of Hearing to the issue
