25-PRO-01728	Guardianship of Kimberly Anallely Pivaral Flores	Continued from 05/26/26 Continued from 05/26/26
Line 5, 6	Petitioner: Pivaral Flores, Kimberly Anallely (SALGADO, MARIO) Ward: Pivaral Flores, Kimberly Anallely Proposed Guardian: Reyes Alonso, Azhalia	Appointment of Guardian for Person of the Minor Petition for Special Immigrant Juvenile Findings
Tentative Ruling: APPEARANCE ORDERED [ZOOM not allowed] The Court intends to GRANT both petitions, making a finding of abandonment and neglect by the father. The Court will GRANT the request to dispense with notice to the father [order to be submitted]		

26-PRO-00180	Guardianship of Frandy Alexander Taracena De Leon	
Line 7, 8	Petitioner: Rivera-Soto, Elvis Daniel (LUBARSKY, ALEXANDER H.) Ward: Taracena De Leon, Frandy Alexander Proposed Guardian: Rivera-Soto, Elvis Daniel (LUBARSKY, ALEXANDER H.) Minor: Taracena De Leon, Frandy Alexander	Appointment of Guardian for Person of the Minor Petition for Special Immigrant Juvenile Findings
Tentative Ruling: NO APPEARANCE Both petitions are continued to cure the following problems. First, counsel has not indicated on either petition who his client is, and each petition has a different named petitioner. Does counsel represent both the proposed ward and the proposed guardian? Secondly, the GC-211 is incomplete in that it does not list the filing date of the petitions to which the mother, father and grandmother are consenting to. Third, the petition for guardianship indicates both parents consent, and the faulty GC-211 has the father's signature, yet the petition for SIJF states that the father is deceased. Fourth, there is no proof of service of the SIJF petition on either parent. Fifth, there is no proof of service/consent of any sibling for the guardianship petition. Sixth, there is no declaration by the proposed ward to support the SIJF petition; the generic statement in the petition that mother is ill and father abandoned him long ago is insufficient. Seventh, there is no UCCJEA filed. Eighth, there is no Guardianship Declaration, PR-18 filed. These matters are continued to October 7, 2026 at 9:00 a.m. for all deficiencies to be cured.
