25VECV01160 Ligayo v VW

[TENTATIVE] ORDER: Plaintiff Lloyd Ligayo's Motion for Attorneys' Fees is CONTINUED TO ____

In the interim, the court notes that Quill and Arrow seeks \$1,521.50 for preparation of a one page declaration, used in all of their cases, asking to continue the OSC re Dismissal despite this court telling multiple lawyers from the firm that it should stop doing so because this court dismisses without prejudice and retains jurisdiction under CCP section 664.6 in Lemon Law cases on Conditional Settlements. This court has also advised at least one Quill and Arrow attorney that the court would not allow fees for that declaration which appears to be just a billing opportunity and at an amount that is unreasonable.
