ORDER RE: MOTION FOR DETERMINATION OF GOOD FAITH SETTLEMENT

Dept.

Defendant/cross-defendant, JAG Framing,

Inc., ("JAG") moves for an order determining its settlement with plaintiff

Karen Humphries Alley ("Plaintiff"), trustee of the PTAG Revocable Trust Dated

8/7/2019, was made in good faith.

"When no one objects, the barebones

motion which sets forth the ground for good faith, accompanied by a declaration

which sets forth a brief background of the case is sufficient” for the Court to grant a motion for determination of good faith settlement. (City of Grand Terrace v. Superior Court (1987) 192 Cal.App.3d 1257, 1261.)

This action concerns construction defects in a residential property. JAG is a framing company hired to perform certain framing work before the property was sold to Plaintiff. JAG explains that its settlement of \$100,000 is made in good faith because its work on the property was limited and its potential liability would not exceed \$43,950. The motion is unopposed and accompanied by the requisite declaration setting forth a brief background of the case.

Accordingly, the unopposed motion is GRANTED. All implied indemnity, equitable indemnity and contribution claims against JAG are hereafter barred and JAG is dismissed from the cross-complaint filed by defendant/cross-complainant 1719 La Taza Investments LLC because the cross-complaint consists solely of claims for indemnity and contribution, notwithstanding the labeling of one cause of action as one for “negligence.” (See Jaffe v. Carroll (1973) 35 Cal.App.3d 53, 57 [issues raised in allegations, not label, determines the nature of the claim].)

JAG to give notice.
