Case Number: 22STCV21789 Hearing Date: September 24, 2026 Dept: 517

The Court is granting the unopposed motion of Plaintiff Michael Cohen to enforce the settlement agreement Cohen entered into with

Defendant Edvin Ovasapyan to resolve this action. Cohen has demonstrated that he is entitled to the relief he seeks in the motion -- namely, entry of judgment against Ovasapyan in light of his default on his obligations under the settlement agreement. The Court will enter the proposed order that Cohen submitted along with the motion and vacate the dismissal of Ovasapyan that was entered in connection with the notice of the settlement of the action.
