Dept. 9-The Honorable Nathan D. Ide

Motion: Motion re: Notice of Deadlines

Tentative Ruling: The Court notes this matter appears to have resolved at the settlement conference. As such, the Court will inquire as to the status of the completion of the settlement agreement at this hearing. The parties may appear in any manner.

If no one requests oral argument, under Code of Civil Procedure section 1019.5(a) and California Rules of Court, rule 3.1312(a), no further written order is necessary. The minute order adopting this tentative ruling will become the order of the court and service by the clerk will constitute notice of the order. Court reporters are usually not available for law and motion matters in the civil division. The parties and counsel must provide their own reporter if they want a transcript of the proceedings.
