Motion: Plaintiff Erin Collins' Motion for Attorney Fees and Costs

Tentative Ruling: Plaintiff's Motion for Attorney's Fees and Costs is GRANTED. Defendant concedes that plaintiff is entitled to reasonable fees and costs actually incurred in the prosecution of this lemon law action but disputes the hourly rates requested and the number of hours billed. The Court finds that the number of hours expended, 55.3, is somewhat excessive in terms of the time spent preparing routine law and motion and in reviewing documents, and finds a reasonable number of hours to be 45. The Court also finds that a blended rate of \$475 per hour for the three attorneys who billed to the case is reasonable, for a total fee award of \$21,375. The Court further awards Plaintiff \$1,431.64 in costs. The total award is \$22,806.64.

Plaintiff shall give notice.
