

**SUPERIOR COURT OF CALIFORNIA
COUNTY OF VENTURA**

Probate Notes

**201800518054PRCP: In The Matter Of Ashley Monique Ekmanian
09/29/2026 in Department J6
Hearing Notice of Motion And Motion To Terminate Conservatorship**

Notice of hearing was not given on the mandatory judicial council form Notice of Hearing (GC-020). (Prob. Code, § 1860.5, subd. (d).)

Termination of a limited conservatorship may be sought by a petition, not a motion. (Prob. Code, § 1860.5, subd. (b).) The Court will deem the motion to be a petition to terminate the limited conservatorship.

Upon statutorily sufficient notice, the Court intends to order the court investigator to conduct an investigation into whether there is clear and convincing evidence that the limited conservatorship remains necessary and is still the least restrictive alternative for the limited conservatee's protection.
