**Additionally, absent good cause shown, the Court intends to make the following findings
and orders.**

I. Mother's Request to Modify Visitation

A. Procedural History

- 1) Petitioner Brandon Bakhtiar (Father) and Respondent Stephanie Marie Eastman
(Mother) have one child together, Shiloe Eastman Bakhtiar, age 9 (DOB 2/17/2017).
- 2) The current custody and visitation order is set forth in the Findings and Order After Hearing filed

November 21, 2025.

- 3) On March 3, 2026, Mother filed an RFO seeking to modify Father's parenting time. A summary of the proceedings related to this RFO is set forth in the Findings and Order After Hearing filed June 1, 2026.
- 4) On May 5, 2026, Judge Mori ordered a Tier II report from Family Court Services (FCS). FCS interviewed Shiloe's therapist, Sara Wagner, LMFT. Ms. Wagner reported that she sees Shiloe monthly for individual therapy. Shiloe presents as "very engaged and emotionally mature for her age." Shiloe wants to have more " 'say so' in the decision about visitation between her father and herself." Shiloe made it very clear to Ms. Wagner "that she prefers not to have visitation with her father."
- 5) Mother filed a supplemental declaration on June 4, 2026. She declared that Shiloe was upset when informed after the May 5, 2026 hearing that she would be required to visit Father on Tuesdays and alternate Saturdays pursuant to the "step up" parenting plan. Mother declared that Father failed to pick Shiloe up from school on May 8, requiring Mother to make childcare arrangements on short notice. Mother further alleged that "Father 's communications have continued to focus on his disputes with me rather than Shiloe's needs."
- 6) Father filed a Supplemental Declaration on June 8, 2026 in which he attacked Mother's credibility, and provided alternate accounts of specific issues raised by Mother.

B. Findings and Orders

- 1) This Court has jurisdiction to make child custody orders in this case under the Uniform Child Custody Jurisdiction and Enforcement Act. A violation of this order may subject the party in violation to civil or criminal penalties, or both. The country of habitual residence of the minor child is the United States.
- 2) **The parties are required to appear on June 16, 2026 at 9:00 a.m. for further proceedings on Mother's RFO filed March 3, 2026.**

II. Mother's Request to Deem Father a Vexatious Litigant

A. Procedural History

- 1) On 11/30/2023, a Findings and Order After Hearing was filed memorializing the orders made at the 11/16/2023 hearing, wherein the Honorable Judge Roeca denied Mother's request to deem Father a vexatious litigant. Judge Roeca found, "There are at least five litigations that were finally determined adversely to Petitioner within the last seven years that would qualify Petitioner as a vexatious litigant under CCP 391(b)(1)." However, Judge Roeca denied Mother's request to deem Father a vexatious litigant "without prejudice should there be further filings without merit." Judge Roeca admonished Father "that absent changed circumstances he is not to file repeated motions for the same relief" and further noted, "If the Court observes such conduct in the future the Court may on its own motion or on the motion of Respondent deem Petitioner to be a vexatious litigant..."
- 2) Now on for hearing is Mother's Request for Order filed 4/20/2026 asking the Court to deem Father a vexatious litigant.
- 3) Per the Proof of Service filed 4/27/2026, Mother's Request for Order was mailed to Father on 4/22/2026.
- 4) Father did not file a Responsive Declaration.

B. Findings and Order

- 1) Since Judge Roeca made his order in November 2023, there have been four Requests for Order filed in this case:
 - a. A Request for Order filed on 3/11/2024 by Mother requesting child support related reimbursements. This Request for Order was denied by Commissioner Wightman on 4/23/2024 after a DCSS attorney found that all accounts had been paid and up to date. Mother was admonished to seek permission from DCSS prior to filing requests for enforcement in the future.
 - b. A Request for Order filed on 2/13/2026 by Father seeking to modify child support. This Request for Order was denied by Commissioner Rahim on 3/24/2026 after a finding of no changed circumstances.

c. Mother's Requests for Order filed 3/3/2026 and 3/11/2026, which are being adjudicated here.

2) The Court does not find good cause to deem Father a vexatious litigant at this time. Mother's request is denied.

III. Preparation of Order

1) The Court will prepare the Findings and Order After Hearing.
